COMIC BOOK PREQUEL TO THE NETFLIX MOVIE, REBEL MOON

TITAN'S DIRECT MARKET COORDINATOR CHIEF STRIDE CHATTED WITH ACCLAIMED CREATOR GAIL SIMONE, THE WRITER OF ***REBEL MOON: NEMESIS***.

GAIL SIMONE - *REBEL MOON: NEMESIS*

CS: Writing a tie-in comic for an existing movie is no easy task. What drew you to this project?

GS: It's kind of odd, it feels a bit like fate. My family and I were watching *REBEL MOON*, and I immediately chose Nemesis as my favorite character by far. Something about her silence was very moving to me, and how she clearly related to the grieving mother in her fantastic opening sequence. I literally told my husband, "I want to know more about HER." And not that long after, I got the call from Zack to do that exact thing. Incredible!

CS: R*ebel Moon: Nemesis* is a prequel to the Netflix film *Rebel Moon - Part One: A Child of Fire*, from director Zack Snyder. How does the narrative of this series tie into the blockbuster?

GS: The remarkable thing about *Rebel Moon* is the depth of the worlds and characters. You could dig for a year and still be finding new aspects. But there's so many intriguing facets that haven't yet been shared. So this story is the tale of why Nemesis is so dangerous, and why she is in the depths of grief. It's full of action and vengeance, and there's a bittersweet quality to Nemesis throughout. Scenes in the film will have new context and layers.

CS: When we first encounter Nemesis in *Rebel Moon - Part One: A Child of Fire*, she appears to be a silent, steel-hearted warrior. Do we get to peek beneath this icy exterior in *Rebel Moon: Nemesis*?

GS: Absolutely, you don't wake up one day and become Nemesis. And we meet the woman she blames for her misery.

CS: Having witnessed her children be slaughtered, revenge is a key motivator for Nemesis but so is honor. How easy is it to balance these two desires when writing a character like this?

GS: I don't find that contradictory at all. You can be the most honorable being in the universe, but it doesn't mean some people don't need a good ass kicking once in a while. And Nemesis is there to provide that.

CS: How did you balance creating a story for *Rebel Moon: Nemesis* that stoodout on its own while also linking to the film?

GS: To me, a lot of the fun in genre storytelling is the extended universe, the stories that grow from the stories. To me, Nemesis is the best character in the movie, but I know some other creators have their own favorites. I am hoping we see those stories, too! Zack is a terrific collaborator, he wants the best from everyone and is delighted to hear ideas, the wilder the better. It's a joy to be a small part of this universe, so I am grateful both to Zack and to Titan for making this happen and inviting me to the rebellion.
